

CITY OF MOUNT CLEMENS

Attention Residents

SPRING CLEANUP WEEK

April 19th - April 23rd

THE WEEK OF APRIL 19, 2010 THROUGH APRIL 23, 2010 HAS BEEN DESIGNATED AS SPRING CLEANUP WEEK.

This is the week that we encourage City residents to participate in getting their yards cleaned up for summer. We ask that all refuse be placed at the curb on your regularly scheduled pick-up day. Brush and yard waste must be placed at the curb in compliance with the City's Composting Program.

Scrap wood, railroad ties and lumber must be securely bundled and cannot exceed four feet in length, 18" in diameter or 50 lbs. in weight. Please pound down or remove nails. Carpet and padding must be bundled and cannot exceed four feet in length and 50 lbs. in weight. Window and plate glass must be broken and placed in a secured, sealed container and marked "GLASS". Furniture, appliances, and other large metal items will be accepted. Additionally, latex and oil-based paints can be placed at the curb as long as the paint is solidified. Kitty litter or sand can be added to the paint to make it solid, or you can let it dry naturally. Please place the cans in a box that can hold the weight of the solidified paint (no more than 50 pounds per box please), with the lids off, at the curb for collection.

Hazardous waste of any kind cannot be picked up for collection. Items such as motor oil, antifreeze, brake and transmission fluids, caustic chemicals (oven and drain cleaners), acids (toilet bowl cleaners, ammonia, etc.), pesticides, old medicines, pool chemicals, etc., are classified as hazardous waste materials. These items can be disposed of through the Macomb County Health Department. For further information, please call 469-7923.

The City cannot accept large logs over three (3) inches in diameter, stumps or roots, motor oil, anti-freeze, dirt, sod, concrete, or stone.

If you have any questions, please contact the Department of Public Services at 469-6847, or log onto our website at www.cityofmountclemens.com.
